*Bringing the Word of God to Every Nation*

Dear partner,

Partnership is one of the most powerful relationships in the world. God understood partnership and made covenants with people and nations throughout the ages. God created man, but saw it was not good for him to be alone, so He made a partner for him. Did you ever notice that each one of the 12 disciples was a businessman? They became Jesus' partners and were willing to support and pray for Him. That's the way it is with partnership.

When you partner with the CBA, you are not just supporting another ministry. You are, in fact, entering into a partnership with us. The Bible talks about a time when King David took some of his men and went to war to get back what the Amalekites had taken from them (1 Samuel 30:16-25, NIV). He told some of the men to stay behind because they were too exhausted. David and his men came back with everything the enemy had stolen. When they got back to the other men, some of those who went with David complained they didn't deserve anything because they did not go themselves. David said, "No my brothers! Don't be selfish with what the Lord has given us... We share and share alike- those who go to battle and those who guard the equipment." (1 Samuel 30:23-24).

When you partner with the CBA, you are sending out laborers into the harvest, and God will reward you the same way He will reward us. We cannot send the Gospel around the world without your help. As you sow into this ministry, know you are equal partners in every good work we are able to perform by the grace of God.

In Christ,

The Christian Business Association
